**FIRST AMENDED AND RESTATED
INTERLOCAL AGREEMENT RELATING TO
ESTABLISHMENT OF THE
FLORIDA GOVERNMENTAL UTILITY AUTHORITY**

THIS FIRST AMENDED AND RESTATED INTERLOCAL AGREEMENT, dated as of December 1, 2000 (the "Interlocal Agreement"), entered into among a certain number of local governmental units executing this Interlocal Agreement, each one constituting either a county or municipal corporation located in the State of Florida, and constituting a "public agency" under Part I of Chapter 163, Florida Statutes, which shall on the date hereof be Citrus County, Florida, Nassau County, Florida, Polk County, Florida and Sarasota County, Florida (collectively, the "Authority Members"), as evidenced by the signatures of their authorized representatives hereby amends and restates in its entirety that certain Interlocal Agreement, dated as of February 1, 1999, among certain of the Authority Members (the "Original Agreement");

WITNESSETH:

WHEREAS, pursuant to the Original Agreement certain of the Authority Members created the Authority for the purposes provided therein; and

WHEREAS, the Authority has determined to amend the Original Agreement in certain respects and to expand the membership in the Authority to include Nassau County, Florida and Citrus County, Florida; and

WHEREAS, it is necessary and desirable to amend and restate in its entirety the Original Agreement in order to amend the Original Agreement and to expand the Authority;

NOW, THEREFORE, in consideration of the mutual covenants herein, the Original Agreement is hereby amended and restated in its entirety to read as follows:

WHEREAS, each of the Authority Members have the power to acquire, own, improve, operate and maintain water and wastewater utility facilities pursuant to their Florida Constitutional powers of local self government, Section 125.01, Florida Statutes (in the case of counties), or Section 166.021, Florida Statutes (in the case of municipal corporations); and

WHEREAS, Part I of Chapter 163, Florida Statutes (the "Interlocal Act"), permits the Authority Members, as public agencies under the Interlocal Act, to enter into interlocal agreements with each other to jointly exercise any power, privilege or authority which such Authority Members share in common and which each might exercise separately, permitting

the Authority Members to make the most efficient use of their powers by enabling them to cooperate on a basis of mutual benefit and thereby provide services and facilities in a manner and pursuant to forms of governmental organization that will best serve geographic, economic, population and other factors influencing the needs and development of such Authority Members; and

WHEREAS, Section 163.01(7)(g), Florida Statutes, authorizes the Authority Members pursuant to an interlocal agreement to create a separate legal entity to exercise the common power of the Authority Members to acquire, own, improve, operate and maintain water and wastewater utility facilities; and

WHEREAS, the Authority Members have determined that it is in their best interests to create such a legal entity to acquire, own, improve, operate and maintain water and wastewater utilities, initially consisting of certain utility facilities owned and/or controlled by Avatar Holdings, Inc., and its subsidiaries (collectively, "Avatar"), for the following reasons:

(1) Avatar has heretofore determined and made known that it will not entertain any offer to purchase its utility assets on a piecemeal basis. It will sell all of its utility assets or none of them. From the public perspective, the most cost effective manner of acquiring such assets is through a legal entity created pursuant to the Interlocal Act. The acquisition of the assets by said legal entity will be at a purchase price which will enable the Authority to charge the then existing rates, fees and charges paid by the customers of Avatar so that those rates, fees and charges will not be increased solely as a direct result of the acquisition by the Authority of such utility assets. In addition, the level and standard of services provided by the Authority to such customers will be maintained or improved.

(2) All Authority Members must meet the comprehensive planning requirements of Chapter 163, Florida Statutes, which mandate that Florida local governments, including the Authority Members, coordinate their plans for future growth with available sources of funding and the availability of infrastructure. The provision of water and wastewater utilities is a major factor in such infrastructure coordination. Public ownership of water and wastewater utility facilities is more desirable and more readily allows for Florida local governments to meet their statutory mandate with respect to the utilities element of their respective comprehensive plans.

(3) The establishment of such legal entity, in the form of the hereinafter described Authority, will ensure that the customers of the water and wastewater facilities owned by the Authority are provided the best, most cost effective service and assure that proper future

expansion of the water and wastewater facilities will occur to meet the demands of development of each affected local government.

NOW, THEREFORE, in consideration of the foregoing and the covenants herein, it is mutually agreed and understood by and among the Authority Members, that now or may hereafter execute this Interlocal Agreement, that the "Florida Governmental Utility Authority," a legal entity and public body and a unit of local government with all of the privileges, benefits, powers and terms of the hereinafter defined Act and this Interlocal Agreement, is hereby created for the purposes described herein, as follows:

(B) The Authority Members do hereby consent and agree to the acquisition of the Avatar Facilities within their respective jurisdictions by the Authority and consent to the Authority acquiring, owning, improving, operating and maintaining the Avatar Facilities within their respective jurisdictions in accordance with the terms of this Interlocal Agreement, sound engineering practices and applicable law.

The terms of such acquisition and purchase price thereof shall be established pursuant to the Financing Document relating thereto or the Utility Acquisition Agreement between the Authority and the respective Authority Member.

(B) The Authority agrees that each Authority Member shall have the exclusive right to acquire any Utility System, or portion thereof, located within the jurisdiction of such Authority Member in the event the Authority, in its sole discretion, determines to sell such Utility System, or portion thereof, and the Authority and Authority Member have not entered into a Utility Acquisition Agreement in regard to such Utility System. The purchase price for such Utility System, or portion thereof, shall be consistent with the applicable Financing Documents and shall be an amount mutually agreed upon by the Authority and the Authority Member.

SECTION 4.03. ANNUAL BUDGET. (A) Prior to October 1 of each year the Board will adopt an annual budget for the Authority and for each Utility System. Such budget shall be prepared within the time periods required for the adoption of a tentative and final budget for county governments under general law. The annual budget shall contain an estimate of receipts by source and an itemized estimation of expenditures anticipated to be incurred to meet the financial needs and obligations of the Authority and each Utility System. The General Manager shall prepare the annual budget. The annual budget shall contain a five-year capital improvement plan for each Utility System.

(B) The Board shall publish a notice of the meeting in which the annual budget is to be adopted, which notice shall be published once a week for two (2) consecutive weeks thirty (30) days prior to the date of the hearing in a newspaper qualified to accept legal advertisement within each county in the jurisdiction of the Authority in which a Utility System is located. A copy of the proposed budget indicating the five-year capital plan for each Utility System and a notice of the time and place of the Board meeting at which the annual budget is to be adopted shall be provided to each Authority Member prior to the first publication date.

(C) The adopted budget shall be the operating and fiscal guide for the Authority for the ensuing Fiscal Year. The Board may from time to time amend the budget at any duly called regular or special meeting.

(D) The Authority shall provide financial reports in such form and in such manner as prescribed pursuant to this Interlocal Agreement and Chapter 218, Florida Statutes.

(E) The Board shall cause to be made at least once a year, within one hundred eighty (180) days of the end of the Fiscal Year, a report of the Authority Facilities, including all matters relating to expansions, acquisitions, rates, revenues, expenses, principal and interest requirements of the Obligations and the status of all funds and accounts. Copies of such report shall be filed with the Secretary-Treasurer and shall be open to public inspection. The report shall be known as the "Annual Authority Facilities Report". The Annual

Authority Facilities Report may be included as a part of any other report or reports required by law or may be issued separately. The Secretary-Treasurer shall provide each Authority Member with a copy of the Annual Authority Facilities Report.

SECTION 4.04. ADOPTION OF RATES, FEES OR OTHER CHARGES.

(A) The Board shall adopt by resolution a schedule of rates, fees or other charges for the use of the services, facilities and products of each Utility System comprising a portion of the Authority Facilities to be paid by each customer which may be connected with or provided service by such Authority Facilities. The Authority may establish separate rates, fees and charges for different portions of the Authority Facilities, including separate rates, fees and charges for each Utility System. The Board may establish different rates, fees and charges for services, facilities and products provided by a portion of a Utility System provided such rates, fees and charges are consistent with applicable law. Each Utility System shall be maintained as an independent enterprise fund.

(B) Such rates, fees and charges shall be adopted and revised so as to provide moneys, which, with other funds available for such purposes, shall be at least sufficient at all times to pay the expenses of operating, managing, expanding, improving and maintaining the Authority Facilities, including renewal and replacement reserves for such Authority Facilities, to pay costs and expenses provided herein and the Financing Documents, and to pay the principal and interest on the Obligations as the same shall become due and reserves therefore, and to provide a reasonable margin of safety over and above the total amount of such payments. Notwithstanding any other provision in this Interlocal Agreement, such rates, fees and charges should always be sufficient to comply fully with any covenants contained in the Financing Documents. The Authority shall charge and collect such rates, fees and charges so adopted and revised, and such rates, fees and charges shall not be subject to the supervision or regulation by any other commission, board, bureau, agency or other political subdivision of the State. The Authority may enter into an interlocal agreement with an Authority Member which delegates to such Authority Member in whole or in part the power to approve the rates, fees and charges of the Utility System located within the jurisdiction of such Authority Member. In exercising such delegated power of approval of the rates, fees and charges of any such Utility System, the rates, fees and charges established by the Authority Member shall be consistent with the requirements contained in this Section 4.04 and shall be sufficient to comply fully with all covenants contained in the applicable Financing Documents.

(C) Such rates, fees and charges for each Utility System or portion thereof shall be just and equitable and uniform for the users in the same class and may be based upon or computed upon any factor or combination of factors affecting the use of the services, products or facilities furnished to the customers of such Utility System or portion thereof,

as may be determined by the Board from time to time. Except as described in Sections 4.04(F) and (G) hereof, no rates, fees or charges shall be fixed, adopted or revised under the foregoing provisions of this Section 4.04 until after a duly noticed public hearing at which all of the customers of the Authority Facilities affected thereby, or owners, tenants or occupants served or to be served thereby and all other interested persons shall have an opportunity to be heard concerning the proposed rates, fees or charges. Notice of such public hearing setting forth the proposed schedule or schedules of rates, fees or charges shall be given by one publication in a newspaper circulating in the portion of the Service Area or Areas affected by such proposed rates, fees or charges at least twenty (20) days before the date fixed in such notice for the public hearing, which may be adjourned from time to time. After such hearing, the proposed schedule or schedules, either as initially adopted, or as modified or amended, may be finally adopted.

(D) The rates, fees or charges adopted for any class of customers served shall be extended to cover any additional customers thereafter served which shall fall within the same class, without the necessity of any further hearing or notice.

(E) The Board may appoint the General Manager, a Director, committee of Directors, and/or a special master to conduct the public hearing or hearings on its behalf relating to rates, fees and charges. The General Manager, Director, committee of Directors and/or designated special master shall act as hearing officers and report to the Board its findings relating to such public hearing. Except as provided pursuant to a delegation in an interlocal agreement with an Authority Member, only the Board may set or revise rates, fees and charges.

(F) Notwithstanding the provision of Section 4.04(C) hereof, upon acquisition of a Utility System, no public hearing shall be required for adoption by the Authority by resolution of the rates, fees and charges contained in the rate tariff relating thereto approved by the Florida Public Service Commission, any governmental seller thereof or any county which has exercised its right to regulate such rates for such Utility System. Likewise, the Board shall have the authority to adopt by resolution approved rate tariffs of other acquired Utility Systems in the future without the requirement of such a public hearing.

(G) Notwithstanding the provisions of Section 4.04(C) hereof, no public hearing shall be required for adoption by the Board of a periodic automatic indexing factor applicable to the initial or any revised schedule of rates, fees and charges of any Utility System.

(H) Notwithstanding anything in this Interlocal Agreement to the contrary, the Authority, by unanimous vote of its Directors, may establish an administrative account into

which moneys may be deposited from the rates, fees and charges of the Authority Facilities or portion thereof or from such other source deemed appropriate by the Board. Any moneys deposited to such administrative account from rates, fees and charges of Authority Facilities shall be considered a loan from such Authority Facilities and shall be repaid within a reasonable period of time to the extent moneys are available therefor. Moneys in such administrative account may be used to pay for costs and expenses associated with acquiring Authority Facilities and any other lawful purpose approved by the Board.

SECTION 4.05. OBLIGATIONS. (A) The Board shall have the power and it is hereby authorized to provide pursuant to the Financing Documents, at one time or from time to time in series, for the issuance of Obligations of the Authority, or notes in anticipation thereof, for one or more of the following purposes:

- (i) Paying all or part of the Cost of one or more Projects,
- (ii) Refunding any bonds or other indebtedness of the Authority,
- (iii) Assuming or repaying the indebtedness relating to Authority Facilities, acquired or leased by the Authority from a public or private entity,
- (iv) Setting aside moneys in a renewal or replacement account,
- (v) Funding a debt service reserve account,
- (vi) Capitalizing interest on the Obligations,
- (vii) Paying costs of issuance relating to the Obligations, and
- (viii) Any other purpose relating to this Interlocal Agreement.

The principal of and the interest on each series of Obligations shall be payable from the Pledged Funds, all as determined pursuant to the Financing Documents. The Authority may grant a lien upon and pledge the Pledged Funds in favor of the holders of each series of Obligations in the manner and to the extent provided in the Financing Documents. Such Pledged Funds shall immediately be subject to such lien without any physical delivery thereof and such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority.

(B) The Obligations of each series shall be dated, shall bear interest and such rate or rates, shall mature at such time or times not exceeding forty (40) years from their date or dates, may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions, all as shall be determined by the Board pursuant to the Financing Documents. The Board shall determine the form of the Obligations, the manner of executing such Obligations, and shall fix the denomination of such Obligations and the place of payment of the principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any Obligations shall cease to be such officer before the delivery of such Obligations, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until delivery. The Board may sell Obligations in such manner and for such price as it may determine to be in the best interest of the Authority in accordance with the terms of the Financing Documents. In addition to the Pledged Funds, the Obligations may be secured by such credit enhancement as the Board determines to be appropriate pursuant to the Financing Documents. The Obligations may be issued as capital appreciation bonds, current interest bonds, term bonds, serial bonds, variable bonds or any combination thereof, all as shall be determined pursuant to the Financing Documents.

(C) Prior to the preparation of definitive Obligations of any series, the Board may issue interim receipts, interim certificates or temporary Obligations, exchangeable for definitive Obligations when such Obligations have been executed and are available for delivery. The Board may also provide for the replacement of any Obligation which shall become mutilated, or be destroyed or lost. Obligations may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Interlocal Agreement, the Financing Documents or other applicable laws.

(D) The proceeds of any series of Obligations shall be used for such purposes, and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide pursuant to the Financing Documents.

(E) The Financing Documents may also contain such limitations upon the issuance of additional Obligations as the Board may deem appropriate, and such additional Obligations shall be issued under such restrictions and limitations as may be prescribed by such Financing Documents. The Financing Documents may contain such provisions and terms in relation to the Obligations and the Pledged Funds as the Board deems appropriate and which shall not be inconsistent herewith.

(F) Obligations shall not be deemed to constitute a general obligation debt of the Authority or the Authority Members or a pledge of the faith and credit of the Authority or any of the Authority Members, but such Obligations shall be payable solely from the Pledged Funds and any moneys received from the credit enhancers of the Obligations, in accordance with the terms of the Financing Documents. The issuance of Obligations shall not directly or indirectly or contingently obligate the Authority or any of the Authority Members to levy or to pledge any form of ad valorem taxation whatsoever therefor. No holder of any such Obligations shall ever have the right to compel any exercise of the ad valorem taxing power on the part of any of the Authority Members to pay any such Obligations or the interest thereon or the right to enforce payment of such Obligations, or the interest thereon, against any property of the Authority or any of the Authority Members, nor shall such Obligations constitute a charge, lien or encumbrance, legal or equitable, upon any property of the Authority or any of the Authority Members, except the Pledged Funds in accordance with the terms of the Financing Documents.

(G) All Pledged Funds shall be deemed to be trust funds, to be held and applied solely as provided in the Financing Documents. Such Pledged Funds may be invested by the Authority in such manner as provided in the Financing Documents.

(H) Any holder of Obligations, except to the extent the rights herein given may be restricted by the Financing Documents, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under the Financing Documents, and may enforce and compel the performance of all agreements or covenants required by this Interlocal Agreement, or by such Financing Documents, to be performed by the Authority or by any officer thereof.

(I) The Obligations may be validated, at the sole discretion of the Board, pursuant to Chapter 75, Florida Statutes. Obligations may be issued pursuant to and secured by a resolution of the Board.

(J) In addition to the other provisions and requirements of this Interlocal Agreement, any Financing Documents may contain such provisions as the Board deems appropriate.

(K) All Obligations issued hereunder shall not be invalid for any irregularity or defect in the proceedings for the issuance and sale thereof and shall be incontestable in the hands of bona fide purchasers for value. No proceedings in respect to the issuance of such Obligations shall be necessary except such as are required by this Interlocal Agreement, the Financing Documents and general law. The provisions of the Financing Documents shall

constitute an irrevocable contract between the Authority and the holders of the Obligations issued pursuant to the provisions thereof.

(L) Holders of Obligations shall be considered third party beneficiaries hereunder and may enforce the provisions hereof.

(M) The Board may enter into such swap, hedge or other similar arrangements relating to any Obligations as it deems appropriate.

SECTION 4.06. AD VALOREM TAXATION NOT AUTHORIZED. The Authority shall not have the power to levy and assess an ad valorem tax on any property within the Service Areas for any reason.

SECTION 4.07. CONNECTION FEES. (A) The Authority is empowered to levy and collect Connection Fees relating to the Authority Facilities for capital improvements and debt service on such capital improvements under such conditions as shall be prescribed by the Board. Connection Fees may become Pledged Funds in accordance with the terms of the Financing Documents.

(B) The Board may change or revise the schedule of Connection Fees upon compliance with the notice and hearing requirements set forth for the adoption of rates, fees and other charges.

SECTION 4.08. UNPAID FEES. The Board shall have the power, under such reasonable procedures as the Board may adopt from time to time, to discontinue and shut off either or both water and wastewater services until delinquent fees, rates or charges, including interest and charges for the discontinuance and the cost of restoration of such water and wastewater services, or both, are fully paid; and, for such purposes, the Authority may enter onto any lands, waters or premises of any person, firm, corporation or body, public or private, served by the Authority within the Service Areas.

SECTION 4.09. AUTHORITY APPROVAL OF CONSTRUCTION OF WATER AND WASTEWATER FACILITIES. (A) The Board may adopt all necessary regulations by resolution that provide design and construction specifications and procedures for the dedication of facilities to the Authority.

(B) The Authority may require, as a condition precedent to the approval of any connection to the Authority Facilities, (i) that all subdivision-type infrastructure, or other contributed transmission or distribution infrastructure necessary to serve a particular project or customer, and necessary easements be dedicated to the Authority, (ii) that the developer

make available interim treatment facilities or services or contract for same on an interim basis from an authorized service provider, and (iii) that the developer, or the person or entity the developer has contracted with, provide interim treatment service, or lease back for nominal consideration and maintain such dedicated or contributed facilities until such time as the Authority provides services; provided in each case the foregoing actions shall be consistent with applicable regulations of the Authority Members.

SECTION 4.10. PLANNING REQUIREMENT. (A) In addition to the other powers enumerated in this Interlocal Agreement the Authority shall have the power to adopt a master plan for the provision of utility services within the Service Area of each Utility System. Such master plan may include for each Utility System, at a minimum: the identification of current customers and the projections of future customers and their profiles (residential, commercial, industrial); a review and general inventory of all existing infrastructure and facilities within the Service Area of each Utility System; and an identification of water supply and treatment alternatives and available wastewater treatment and disposal alternatives, including plans for the use of reclaimed or reused water alternatives.

(B) Prior to the adoption of the annual budget, a five-year capital improvement plan shall be submitted to each Authority Member for the Utility System within their respective jurisdictions for a determination by such Authority Member that the capital improvement plan is consistent with the applicable local government comprehensive plan of such Authority Member adopted pursuant to Chapter 163, Part II, Florida Statutes.

(C) All utility expansion or line extension policies adopted by the Board shall be consistent with the land development regulations, local comprehensive plans and other applicable regulations adopted by the Authority Members within which a Utility System is located.

SECTION 4.11. EFFECT OF INCORPORATION OR THE PRESENCE OF A SPECIAL DISTRICT ON AUTHORITY. The subsequent incorporation or annexation of any area initially included within a Service Area, or the presence or creation of any special district within a Service Area, shall not impair nor alter the authority, power and purposes of the Authority for providing water and wastewater services and facilities within any portion of such Service Area now included within any municipality, special district or subsequently included within any municipality or special district.

SECTION 4.12. CONDUIT TRANSACTIONS. In addition to the powers granted to the Authority hereunder, including the power to issue Obligations pursuant to this Article IV, the Authority may issue Obligations, to the extent permitted by law, for the

principal purpose of loaning the proceeds thereof to a public or private entity, which shall finance or refinance the acquisition and construction of water treatment, production or transmission facilities or wastewater treatment, transmission or disposal facilities. Such Obligations shall be secured in such manner as determined by the Board. Such security may include moneys received pursuant to a loan agreement between the Authority and such public or private entity. Such Obligations shall have the terms provided in Section 4.05 hereof.

SECTION 4.13. WATER PRODUCTION FACILITIES LOCATED WITHIN THE JURISDICTION OF TAMPA BAY WATER. In order to comply with Section 3.02(B) of the Amended and Restated Interlocal Agreement reorganizing Tampa Bay Water, a Regional Water Supply Authority ("Tampa Bay Water"), the Authority agrees to use Tampa Bay Water (directly or through a member government of Tampa Bay Water) as its exclusive supplier of water to be delivered to customers located within the geographic territory of Tampa Bay Water, to the same extent as required by the member governments of Tampa Bay Water (other than Tampa) under such Amended and Restated Interlocal Agreement. In order to comply with this provision as it relates to the proposed acquisition of the water facilities of Avatar and other water facilities located in Hillsborough County, Florida, Pasco County, Florida and Pinellas County, Florida (the "Tampa Bay Water Service Area"), the Authority shall offer to sell, lease or otherwise dispose of the water production facilities of Avatar and any other water production facilities which it acquires within the Tampa Bay Water Service Area to Tampa Bay Water at or prior to the time of acquisition of such facilities by the Authority, at a cost equal to the average of two independent MAI appraisals of such water production facilities, one of which shall be by an appraiser selected by Tampa Bay Water. Notwithstanding any other provision of this Interlocal Agreement, and solely for purposes of enforcing the provisions of this Section 4.13, the Authority Members agree that Tampa Bay Water is hereby designated as a third-party beneficiary hereto. The provisions of this Section 4.13 shall control over any other provisions of this Interlocal Agreement which may be in conflict herewith. Notwithstanding any provisions in this Section 4.13 to the contrary, the Authority need not offer to sell, lease or otherwise dispose of the water production facilities of Avatar which are acquired by the Authority and it may own and operate such facilities, provided Hillsborough County is not an Authority Member.

SECTION 4.14. OMITTED.

The Authority shall not compete against the Polk County water and wastewater system. Solely for purposes of Section 11.14 of the Polk County water and wastewater bond resolution, Polk County acknowledges that the Authority shall have a franchise to operate within such Service Area located in Polk County under the conditions provided herein, such franchise shall not exceed in any respect any franchise heretofore approved by Polk County. The Authority agrees to cooperate with Sarasota County for the purpose of interconnecting the Avatar Utility System with the water and wastewater utility system owned and operated by Sarasota County. The Authority and Sarasota County agree that, to the extent practicable, either party may obtain bulk service for treatment of wastewater from the other party at a reasonable cost based upon usage to the extent

wastewater capacity for such bulk service is available.
