

TENTATIVE BUDGET HEARING MEETING MINUTES

September 10, 2015

Mayor Joe LaCascia called the meeting to order at 6:30 p.m.

ORDER OF BUSINESS

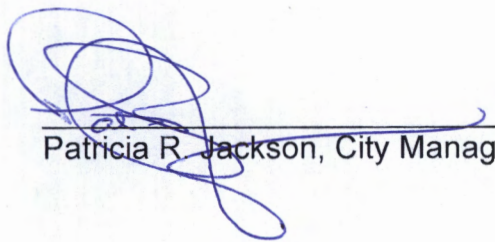

Mayor LaCascia stated there has been an influx of issues to arise unexpectedly that would necessitate this meeting be recessed. Woodard and Curran has chosen not to participate in the new RFP process, which is a half million dollar number and for such a small city it is not wise to just go ahead and deal with financial issues, not knowing which direction we are headed.

Motion by Commissioner Kimsey to recess this meeting until Thursday, September 17, 2015 at 7:00 pm; this motion was seconded by Vice Mayor Blethen.

Motion carried unanimously.
