Honorable Mayor and
Members of the City Commission

RE: Fiscal Year 2020-2021 Budget

It is my pleasure to present the Fiscal Year 2020-2021 Budget. The Polk City Budget is designed to provide high quality services while maintaining a fiscally responsible government, continuing to establish the credibility of Polk City as a viable community with a strong future, and the goal to maintain or increase the unrestricted reserve fund balance thereby placing the City in a better position to fund needed improvements and unforeseen expenses.

Polk City strives to maintain a high level of service to our community, but commensurate with financial resources available to fund those services, and with realistic budget requests for expenditures and conservative estimates on revenue. The budget has been developed in accordance with City Ordinances, State and Federal law, and policies and procedures of the City. This budget is based on the most recent workshop of the City Commission.

Proposed Budget Totals

The FY 2021 total budget of \$6,314,257, which is \$112,924 (1.82%) more than the adopted FY 2020 Budget

Total Assessed Taxable Value and Millage Rate

The current year gross taxable value for operating purposes is \$182,545,608; prior year FINAL gross taxable value from prior year applicable Form DR-403 series is \$162,127,299.

The proposed FY 2021 budget is based on a millage rate of 6.0000, which will generate approximately \$1,040,510 in Ad Valorem revenue. The millage rate for FY 2021 stayed the same as the millage rate for FY 2020; however, Polk City lowered the millage rate for the previous six years. The current year proposed rate as a percent change of rolled-back rate is 6.52%. Based on 6.0000 millage rate and assuming a home assessed at \$100,000, which claims the maximum allowable \$50,000 Homestead Exemption, the property owner would pay \$300.00 annually in Ad Valorem taxes.

Revenue Assumption

Revenues are estimated at conservative levels to guard against unanticipated economic shifts, legislative changes, or collection levels. General government revenues are largely budgeted based on historical collection and growth levels.

Utility Fund Revenues are also based on historical usage and/or number of customers and growth levels.

Proposed Expenditures

Payroll/Staffing – The proposed FY 2021 Payroll Budgets operate with a staffing level of 27 full and part-time employees. This is an increase of one (2) employees from the current FY 2020 Budget, which includes an employee in the Public Works Department and an additional position of Water Plant Operator in the Water Department.

Capital Outlay -- The proposed Capital Outlay budgets reflect proposed expenditures of \$973,682 in FY 2021.

Specific improvements include:

- \$5,000 – Fence for Facility (Public Works/Utilities)
- \$650,000 – CDBG (paving, sidewalk, drainage and 2" water line)
- \$25,000 – Replace 2003 F-150
- \$3,500 – Box Trailer – Public Works
- \$2,600 – 60" slope cutter
- \$10,000 – Windows at Library – energy efficiency
- \$2,000 – Library fencing and landscaping
- \$18,000 – Library Books, media and other publications
- \$10,000 – Improvements to Freedom Park
- \$80,000 – Generator at Mt. Olive Water Plant
- \$15,000 – Replace Valves for Defusers at the Aeration Basin
- \$92,682 – Vac and Jetter Trailer
- \$60,000 – Boat w/motor and trailer for Aquatic Weed Spraying and a by-pass pump

Debt Service

- \$119,811 General Fund
- \$799,388 Enterprise Fund

Restricted and Unrestricted Reserves

- \$188,590 in General Fund

- \$361,717 in Enterprise Fund

Major Funds

General Fund. The General Fund is the principal fund of the City and is used to account for all activities not included in other specified funds. It accounts for the normal, recurring activities of the City. Activities of this fund are primarily supported by City Ad Valorem revenues/taxes and Intergovernmental revenues.

Enterprise Fund. The Enterprise Fund is the general expenditure and profit- making fund of the City that includes water and wastewater revenues and expenditures.

Capital Improvement Plan

Staff is working on an updated five-year CIP to identify and plan for major capital improvements, so these major expenses can be properly planned for and funded. Many grant applications receive additional credit based upon approval of a Capital Improvement Program.

Budget Conclusion

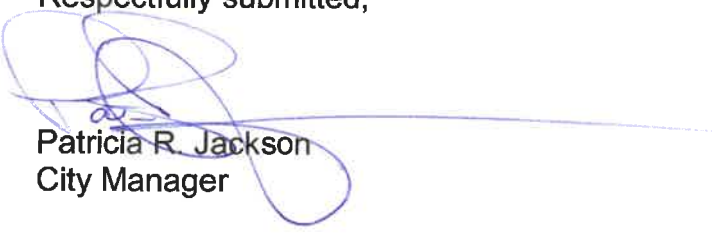

It is the role and responsibility of staff to present a balanced budget to the City Commission. Staff recognizes a budget is simply a plan for expenditures for the next fiscal year and understands it may be amended as we go through the fiscal year.

Every municipal budget indicates what areas and functions of government will be funded and what areas and functions will not be funded. It is therefore in reality a policy document. This is consistent with the policy role of the elected body in the Commission Manager form of Government.

As always, all City Departments put forth much effort in the preparation of this document and are to be commended.

We look forward to assisting you in the review process of the Fiscal Year 2020-2021 Budget, as well as an ongoing review once the budget is adopted.

Respectfully submitted,

Patricia R. Jackson

BUDGET LINE ITEM

DESCRIPTIONS

Polk City
Budget Line Item Descriptions

Polk City uses the line item budget format in order to present a detailed and accurate classification of revenues and expenditures. The City’s numbering system for revenues and expenditures is comprised of an eight-digit number. The first two indicate the fund, and the second three digits represent the department, the third three represent the expense code or object classification code. The object classification code is standard throughout the chart. For example, the travel and training line item is 400 in all departments and across all funds. While the majority of these numbers may be used in most departments, we still have some unique numbers due to special events and services that are important to our City. Listed below is the description of the individual account numbers for the expenditures in our chart of accounts.

Under the rules of the retirement system, the City begins contributing for each permanent employee immediately upon employment.

The City currently pays 100% of the employees' health care benefits, LTD, Life, Accidental death and dismemberment insurances. As of 2018, the City has qualified again for a composite rate for health insurance. Employees may elect to purchase dental and vision at their expense. Supplemental Insurance is also available at the employees' expense.
240	Worker's Compensation	Amounts paid by the City to provide compensation to employees injured on the job. The City Belongs to PIGT, currently serviced by Brown and Brown Insurance. The rate is determined by applying a factor to a particular job function and multiplying it by the payroll estimates for that function.
