

Code Enforcement Report

May 2016

DATE	ADDRESS	VIOLATION	STATUS
5/31/2016	426 Bascom Court	Inoperative vehicle and junk collected in yard and around the home	05/10/16 The inoperative vehicle and pallets have been removed. All that remains is junk around the entrance of the front door and the stockade fence panels. The owner assured that the panels would be taken care of by May 24th. 5/31/16 Above mentioned items are still present . Follow up letter to address the current condition will be sent out.
5/19/2016	441 Marklen Loop	Overgrown grass	5/10/16 Property still overgrown. Ms. Hall called and left a message that the property is in foreclosure. 2 calls placed on 5/23 & 6/6 to Ms. Hall leaving voice mail messages explaining as homeowner listed on PCPA she is responsible for the upkeep of property. Sending letter.
5/10/2016	624 3rd Street	Fallen tree trunk and junk surrounding home	5/10/16 Property still in Code Violation with no visible improvement. Sending Notice of Violation letter to the property owner. 06/06/16 Partial mowing of front lawn; however, junk items still remain.
5/18/2016	726 2nd Street	Severe overgrowth	5/18/16 Property overgrowth removed. Property will be monitored regularly.
5/10/2016	111 Railroad Av	Appliance and two inoperative vehicles in front of business	5/24/16 Two vehicles added to right-of-way area and the appliance removed. Follow up letter to address new violations.
5/19/2016	456 Marklen Loop	More than 20 junk vehicles, tires, and one refrigerator in backyard not visible from the front street access	5/10/16 Sending certified/regular mail Notice of Violation to property owner. 05/31/2016 vehicles appear to be removed as seen from street view, fence panel partially fallen granting visual access of backyard from Marklen Loop.
