

Public Works Report

May 2020

Public Works

Summary: Public Works maintained all Public facilities to include Library, City Hall, Freedom Park, Bronson Center, Old Public Works Facility, Courts, McManigle Park, Fishing Pier, New Public Work/Utility facilities, and Activity Center.

- Mowed and trimmed all City facilities
- Inspected Freedom Park, Recreation Courts, Fishing Pier, and McManigle Park,
- Monitored and serviced all storm drains throughout Polk City.
- Completed Work Orders-(Repairs and Maintenance of Equipment, Electrical, plumbing, Building Maintenance, Vehicle Maintenance, etc.)
- Completed storage shelves in Public Works loft area.
- In collaboration with Feeding Tampa Bay we held Food Drive at Bronson Center to help feed our Neighbors bi-weekly.

June Objectives:

Continue maintaining the mowing and preventive maintenance of all City facilities, service equipment. Build storage shelves in the old Public Works building to support storage of old records. Continue efforts with Food Drive.
