PART TWO

For the month of June there were four PROCAP related crimes reported within the city limits. The first was a gas drive off at 205 Commonwealth Avenue, the suspect, Dustin Grimes was identified and an affidavit was filed in that case. The second was a theft of jewelry from the residence at 452 Marklen Loop. The victim later called to relate she had found her jewelry and it was not stolen after all. The final two crimes were thefts of diesel fuel from two separate locations, both out of groves in the Barfield Road area. This represents a county wide trend of this type of fuel theft.
