In January 2019, there were four (4) PROCAP captured crimes as compared to three (3) in 2018. During the month one (1) Business Burglary (Ace Hardware) occurred at which there were no suspects identified from surveillance video and it was the only one in the area, therefore this case does not pose as a trend at this time, there were several items of Lawn Equipment stolen. During the month two (2) residential burglaries occurred at a construction site, during both Burglaries the structures are in different phases of the building process. Items such as Cooper wire, were stolen from the structure sites on these particular occasions. There was one (1) case of Grand Theft Storage King (formally Ace Storage) of a Tow Dolly, this particular crime was not caught on surveillance video and occurred sometime between 11/29/18 and 01/23/19. At this time we cannot confirm when the items was removed.
