2017 Water Quality Reports

Polk City produces a Consumer Confidence Report (CCR) annually in accordance with regulatory guidelines. This report is designed to give customers a snapshot of the City's water quality for the previous year. The City's CCR, which has been approved by the Polk County Health Department, is available online for interested customers to view at the links provided below. Also, as a convenience, Polk City will provide hard copies upon request through the billing office; as well as being available in the lobby at City Hall, and the Library. Any questions concerning the City's CCR should be directed to Chasity Guinn in the Utility Office @ 984-1375 x 243.

2018 Hurricane Basic Preparedness Tips

- Know where to go. If you are ordered to evacuate, know the local hurricane evacuation route(s) to take and have a plan for where you can stay. Contact your local emergency management agency for more information.
- Put together a go-bag: disaster supply kit, including a flashlight, batteries, cash, first aid supplies, medications, and copies of your critical information if you need to evacuate.
- If you are not in an area that is advised to evacuate and you decide to stay in your home, plan for adequate supplies in case you lose power and water for several days and you are not able to leave due to flooding or blocked roads.
- Make a family emergency communication plan.
- Many communities have text or email alerting systems for emergency notifications. To find out what alerts are available in your area, search the Internet with your town, city, or county name and the word “alerts.”
