2021 Water Quality Reports

Polk City produces a Consumer Confidence Report (CCR) annually in accordance with regulatory guidelines. This report is designed to give customers a snapshot of the City's water quality for the previous year. The City's CCR, which has been approved by the Polk County Health Department, is available online for interested customers to view at the links provided below. Also, as a convenience, Polk City will provide hard copies upon request through the billing office; as well as being available in the lobby at City Hall, and the Library. Any questions concerning the City's CCR should be directed to Lori Pearson, Chief Operator @ 984-1375 x 401.

You can view "2021 CCR Reports for Polk City and Mount Olive.pdf" at:

Polk County Schools

As the Summer is coming to an end and families reflect on their 2022 summer activities, we would like to remind you to drive cautiously. Beginning Wednesday, August 10, 2022 (first day of school), once again, you will share the roads with pedestrians, bicyclist, parents and school buses picking up and dropping off children. Please be mindful of the rules of the road, paying close attention to any school zone speed changes. Remember that one wrong move on your part could affect others. Students, Educators and Parents have an awesome 2022-2023 School Year!!!!!!
